DETAILED ACTION

Allowable Subject Matter

Claims 1-8, 10-12, and 14 are allowed.

The following is an examiner's statement of reasons for allowance:

Claim 1 recites, "the playlist is classified into two types, a real playlist and a virtual playlist, the playlist including a reference to clip information for the Bridge Clip AV stream is the virtual playlist, the playlist indicating address information of a file for the clip information of the Bridge Clip AV stream, and the clip information for the Bridge Clip AV stream indicating at least one relationship between a time stamp of an access point in the Bridge Clip AV stream and an address of the Bridge Clip AV stream, when the real playlist is erased the data of the stream portion of the clip it is referencing is also erased, and when the virtual playlist is erased the contents of the clip it is referencing are in no way changed," which are unique features not disclosed by prior art.

Claims 2-6 are allowed because they depend on claim 1 above.

Claims 7-8, 10-12, and 14 are allowed for the same reason as discussed in claim 1 above.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
